GISMA University of Applied Sciences(Germany)

Passed Burmese Matriculation Exam with 5 distinctions

2022 - Expected 2025

PROJECT PARTICIPATIONS

As a student representative for the Computer Science program, I helped GISMA University of Applied Sciences with the FIBAA Accreditation.

June 2023

WORK EXPERIENCES

Account

2020-2022

I was hired to do data entry (sales, purchase and stock count) on a part-time basis at Mya Theingi Jewellery shop in Myanmar. Accuracy, high concentration, focus and attention to detail to find and correct mistakes were the qualities to do the job and I did it very well.
